Summary: one shot! this just going to be a bunch of scenes that pop into my head.

NO!

She arrived and the administrative building was caved in, rubble everywhere. The chaos was everywhere.

There he was among all the rubble

"Naruto!" she screamed

"No no Naruto" she sobbed as she caressed his face.

She moved her hands down to his neck, feeling for his pulse

There was none

Tilting his head back she straddled him, all the while yelling,

You come over here I'm going to need you to aid me in performing CPR, tilt the head back and blow when I tell you!

Placing her hands above his heart,

1,2,3â€¦15. Blow!

1,2 3â€¦.

With each compression she could feel his bones compressing and the cracks of his ribs.

12 CRACK

She shuttered, repeating the mantra, Im saving a life Im saving a life!

12, 13, *don't think about it, do your job!*

~30 minutes later~

She let out an anguished cry as she got off him

"He is goneâ€¦ there is nothing we can doâ€¦ "

He was no more.

End
